

Planet Financial Group Partners with National Forest Foundation

Funds habitat restorations, post-fire planting and reduction of wildfire risk

MERIDEN, Conn., August 24 , 2023 – [Planet Financial Group](#), a fully integrated family of companies delivering innovative origination, servicing and asset management solutions, has renewed for a fifth year its partnership with the [National Forest Foundation](#) (NFF), the official nonprofit partner of the U.S. Forest Service. Through the partnership, Planet will have funded the planting of more than a quarter-million trees in our National Forests.

“Our Planet With a Purpose platform supports organizations and initiatives that share our global perspective and sense of purpose,” said Planet Financial Group CEO and President Michael Dubeck. “Every day, we strive for a better home, a better community and a better Planet. That’s why we are proud to renew our partnership with the NFF, which leads forest conservation efforts essential to the environment and health of the planet.”

Planet’s support includes funding native habitat restorations, post-fire planting and reduction of wildfire risk through sustainable forest management.

As a partner and supporter of the NFF, Planet will fund the planting of 75,000 trees in National Forests across the Gifford Pinchot, Lincoln, and Mississippi national forests in Washington, New Mexico and Mississippi, respectively.

“Working via our Planet With a Purpose ESG (Environmental, Social and Governance) Platform, we pass on our success by sustaining initiatives that restore and enrich our planet,” Dubeck added. “We’re honored to continue this journey with NFF and make a positive impact on our shared national forests.”

“We are extremely pleased to receive support from environmentally conscious companies that prioritize the health of our environment,” said Mindy Crowell, Director of

Reforestation Partnerships at NFF. "Planet continues to show its dedication and support in restoring and improving our shared national forests."
